### ***President's Report***

January 2017

Greetings Brothers & Sisters,

Do you make resolutions at this time of year? Do you list some goals that you want to achieve? Or do you make a wish list? -stuff you'd like to see happen if only *someone* would make an effort.

Well here are a few easy ones:

- 1 - Contribute to LCPF.
- 2 - Sign up to be an e-activist.

You can accomplish both by going to [www.nalc.org](http://www.nalc.org) and clicking the links on the right side of the home page to follow the instructions.

Why? As an e-activist you can stay informed about issues before Congress that will affect your job, your future. You'll know when a bill is being presented so that you can call your Representative's office to let them know how important it is to you. You'll receive the latest updates about your contract. Contributions to LCPF are used to help elect men and women who understand the value of maintaining a postal service that meets the needs of its customers- 7 days a week.

3 - Attend your local union meetings. They are for all union members, not just officers and stewards. Find out what's going on in your office, get involved, learn about your rights.

4 - Download the [NALC membership app](#). Spend 10 minutes looking around at what it has to offer instead of playing a game. It provides quick updates - and a calendar for rotating or fixed days off.

5 - File your taxes before March 1. Remove some stress from your life and get it done way before the deadline.

6 - Smile. You never know how important it might be to someone who needs one.
